

"Praise Improves Hearing"

25 Ways to Praise Your Child

Try to catch your children being good, and encourage their behavior with praise. Say:

Thank you - Way to go - I'm so proud of you - You are the best

You are very special - You are really growing up - I trust you - Wow!

Nice work - You brighten my day - You are the greatest - You are so smart

Good for you - You make me so happy - You mean the world to me - Fantastic

Great job - I knew you could do it - You are important - You catch on so quickly

Outstanding - You are wonderful - Well done - You are a winner - I love you

It's okay to ask for help!

Parenting is one of the hardest, and also the most important job that you will ever have. If you have questions, concerns or just need someone to talk to, then call the Chouteau County Public Health Department and ask to speak to a public health nurse.
